Henry Hamilton Bennett

H.H. Bennett captured the heart and soul of areas he photographed. His beautiful images speak to us of scenic landscapes, bustling urban centers, and people discovering a natural playground. Bennett's images moved hundreds of thousands of Victorian Americans to visit the Wisconsin Dells. His works have been displayed world wide including The New York Museum of Modern Art, The Smithsonian Institution, and the Center for Creative Photography. All prints are individually produced by hand at the H.H. Bennett Studio.

Each image is printed on fiber based paper and mounted on museum quality white mat board complete with H.H. Bennett's signature in gold leaf. Bennett prints have been prized by collectors and art lovers for over 100 years. These remarkable images are fine additions to any home or office and make ideal gifts.
